LYRICS

SOMEONE LIKE YOU

(Adele Laurie Blue Adkins-Dan Wilson)

Verse 1

I heard that you're settled down
That you found a girl and you're married now.
I heard that your dreams came true.
Guess she gave you things I didn't give to you.
Old friend, why are you so shy?
Ain't like you to hold back or hide from the light.

Pre-Chorus

I hate to turn up out of the blue uninvited
But I couldn't stay away, I couldn't fight it.
I had hoped you'd see my face and that you'd be reminded
That for me it isn't over.

Chorus

Bet you ain't never had nobody like me no
You ain't neva
Had nobody like me no
I bet he don't put it down like me no
You ain't neva nobody, nobody

Verse 1

Never mind, I'll find someone like you
I wish nothing but the best for you too
Don't forget me, I beg
I'll remember you said,
"Sometimes it lasts in love but sometimes it hurts instead,
Sometimes it lasts in love but sometimes it hurts instead"

PUMPED UP KICKS

(Mark Foster)

Verse 1

Robert's got a quick hand
He'll look around the room
He won't tell you his plan
He's got a rolled cigarette
Hanging out his mouth
He's a cowboy kid
Yeah! He found a six-shooter gun
In his dad's closet, with the box of fun things
I don't even know what
But he's coming for you
Yeah, He's coming for you!

Chorus

All the other kids with the pumped up kicks
You better run, better run, outrun my gun
All the other kids with the pumped up kicks
You better run, better run, faster than my bullet
All the other kids with the pumped up kicks
You better run, better run, outrun my gun
All the other kids with the pumped up kicks
You better run, better run, faster than my bullet

Verse 2

Daddy works a long day
He be coming home late, and he's coming home late
And he's bringing me a surprise
'cause dinner's in the kitchen and it's packed in ice
I've waited for a long time
Yeah the sleight of my hand is now a quick-pull trigger
I reason with my cigarette
Then say, "Your hair's on fire
You must have lost your wits, yeah?" (chorus)

PUMPED UP KICKS Cont.

Run, Run, Run, Run. Run, Run.
R-Run, Run, Run.

STAY

(Mikky Yekko, Elov Loelv, Justin Parker)

Verse 1

All along it was a fever
A cold sweat hot-headed believer
I threw my hands in the air, said show me something
He said, if you dare come a little closer

Pre-Chorus

Round and around and around and around we go
Oohhh, now tell me now tell me now tell me now you know

Chorus

Not really sure how to feel about it
Something in the way you move
Makes me feel like I can't live without you
It takes me all the way
I want you to stay

Verse 2

It's not much of a life you're living
It's not just something you take, it's given
Round and around and around and around we go
Oohhh now tell me now tell me now tell me now you know (pre-chorus)

Chorus

Bridge

Oohh the reason I hold on
Oohh cause I need this hole gone
Funny you're the broken one but I'm the only one who needed saving
Cause when you never see the light it's hard to know which one of us is caving

Chorus

I want you to stay
Oooooohh, I want you to stay

STAY Cont.

Verse 3

Pulling all niters like a trap star
I'm hard to figure out I drive a trap car
I'm my hood I'm a rapstar
All about my cake like a fat boy
I hit the strip club throwing out label money
While these lame flogging with they rent money
Growed up broke childhood was bored
Now I'm copping everything Mom couldn't afford
I drink CIROC by the caseload
My whole team
Grwaped up counting bank rolls
Everybody asking me how I been
I'm straight dogg I been gettin it in (chorus)

HIDING YOUR HEART AWAY

(Tim Jay Hanseroth)

Verse 1

This is how the story went
I met someone by accident
Who blew me away
Blew me away
And It was in the darkest of my days
When you took my sorrow and you took my pain
And buried them away, buried them away

Chorus

I wish I could lay down beside you
When the day is done
And wake up to your face against the morning sun
But like everything I've ever known
You'll disappear one day
So I'll spend my whole life hiding my heart away

Verse 2

Dropped you off at the train station
Put a kiss on top of your head
Watched you wave
And watched you wave
Then I went on home to my skyscrapers
And neon lights and waiting papers
That I call home
I call that home (chorus)

Bridge

Woke up feeling heavy hearted
I'm going back to where I started
The morning rain
The morning rain
And though I wish that you were here
On that same old road that brought me here
It's calling me home
It's calling me home (chorus)

I can spend my whole life hiding my heart away
